Item No. 4.7 Any other item with permission of Chair

One of the Academic council member pointed that in case any student, who due to his health problem/participation in National & International level sports events can not appear in regular examination/, his/her distinction may not be affected (if he/she appears in next coming examination). A committee of following was formed to look into the modalities:

Dean (Academics)

COE

Professor-to be nominated by Director, GNDEC

Professor from Punjab University, Chandigarh (as system is being followed by PU, Chandigarh)

Big industrial house of Ludhiana may be called for brain storming for their support in research activities. Subsequently an exhibition by each department of institute for explaining the facilities to the industry will be organized in the month of September by Dean (T&C) and Dean (Training & Placement).

The modalities for expert talk and a subject of industrial importance to be taught by industry people will also be worked out within three months by above committee.
